

Dear Owners,

Here is a quick little update for everyone:

We have our contractor Vetor working diligently on getting permits submitted and approved.

Currently we are expecting the approval of the pool permit to come thru. Once we get it, we can then start looking at the mobilization of crews to start the actual physical.

When the work starts, I will be posting more updates including pictures of all the progress.

As stated before,

Please note that there are grills, pool, spa, and bikes available **on the Bayside** only. We are unsure at this time when the boats will be usable. Also, there will be no amenities available on Gulfside until funds are received and the entire property plan can be restored. The following are NOT yet available on Gulfside: chickee hut, pool, spa, grills, benches, etc. There is a path to the beach and Cabana Dan is available for those looking to reserve chairs and/or umbrellas. Please contact him @ [vbhcreervations@CabanaDans.com](mailto:vbhcreervations@CabanaDans.com). His information can be accessed on our website as well ([vbhctimeshare.com](http://vbhctimeshare.com)).

The Naples area is still pristine and all businesses in the surrounding areas are open except for a few on Gulf Shore Dr. Please feel free to contact us, and you are always welcome to email [vbhctimeshare@gmail.com](mailto:vbhctimeshare@gmail.com) with any questions.

Thank you, as always, for your patience in this trying time and we look forward to welcoming you back soon!
